IN THE SPECIFICATION:

The specification as amended below with replacement paragraphs shows added text with <u>underlining</u> and deleted text with ~~strikethrough~~.

Please REPLACE the paragraph beginning at page 14, line 10, with the following paragraph:

For example, when the weather condition 15_3 shows a fine day, information available on foot can be displayed at the user terminal at a higher priority. When the weather condition 15_3 shows a rainy day, information available in a distance by a car, online <u>s</u>hopping information and delivery service information can be displayed at the user terminal at a higher priority.
